

## **CLUB COMMUNICATIONS - HAVE YOUR SAY**

The board have decided to take a fresh look at the current communications mediums that the club uses.

Ranging from internal communications

- the notice boards,
- the TV rolling display,
- the regular club newsletter,
- the web site

to external communications

- regular Kent messenger reports,
- recruitment drives,
- web site

If you have any ideas and would like to join a small working group to discuss how we can communicate differently or better, please contact

David White on 01233 733919
