

Juniors 2024-2025

Saturday Mornings 10am to 12.30

Please can you help us to run our coaching sessions?

We now have 20+ juniors aged 5 to 15 taking part in our junior programme. We can only do this with the help of our “junior supporters” and we urgently need some more to join our team.

What is a junior supporter?

- Primarily the role is to support the coaches and help provide a safe and enjoyable environment for the juniors.
- The safety of the juniors, coaches, supporters, parents/carers, other players is fundamental, and the supporters play an important part in this.
- There will always be a Coach present to plan, organise and lead the session (who will be qualified, DBS checked and insured). More coaches would be welcome.
- The supporters provide simple guidance and supervision but where possible avoid specific coaching. If they identify an issue with a junior’s delivery action or bowling this should be raised with the coach.
- Each of our juniors has their own individual needs, aspirations, motivation and goals and helping to address all of these is dependent on coaches and supporters.
- Supporters are involved in running, setting up, keeping flowing and scoring the wide range of activities and games, marking, “controlling wayward bowls!” and generally helping the juniors develop skills and have fun.
- Enthusiasm and a commitment to supporting the juniors is more important than a supporter’s bowls experience/ability!!

Could you help perhaps once or twice a month? A safeguarding briefing will be given. If you are interested or would like to know more, please speak to me or email aibcjuniorcoordinator@gmail.com
